PETITION TO WITHDRAW HOLDING OF ABANDONMENT  
BASED ON FAILURE TO RECEIVE OFFICE ACTION

Dear Sir:

Applicant's Attorney received a Notice of Abandonment in this application mailed September 1, 2006. The Notice of Abandonment references a Notice of Missing Parts mailed October 20, 2005, to which no response was filed, which formed the basis for abandonment.

The aforesaid October 20, 2006 Notice of Missing Parts was not received by Applicant's Attorneys.

The paper in question was not received by Applicant's Attorneys, and a search of the file jacket and docket records indicates that the office communication was not received.

Enclosed herewith are true and accurate copies of the docket book of this firm bracketing the date where the office communication would have been entered and docketed had it been received. Since the action in question was a Notice of Missing Parts, this action would have a two-month period for response. Thus, the action would have been docketed for response on December 20, 2005. The enclosed pages show December 20, 2005, as well as the day after this date, and shows the docketing of other actions received having due dates for this period.

Clearly, the office action in question was not received by this office, and withdrawal of the holding of abandonment is justified.

It is believed that no fee is due in connection with this

petition. If, however, any fee is due, please charge same to  
Deposit Account No. 02-0184.

Further, it is respectfully submitted that granting of this  
petition is proper, and re-issuance of the aforesaid Notice of  
Missing Parts is respectfully requested so that appropriate steps  
can be taken to respond to same.

Respectfully submitted,

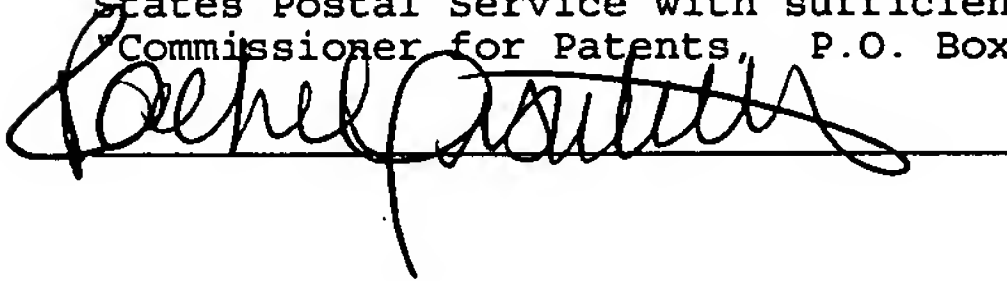

Shimpei Morioka
